

If you don't know where you're going, you'll never get there.

*What do you really want in life?
It might surprise you. Justin Krane
can help you discover it... then design
a financial plan to get it.*

Imagine it's five years in the future. You look around. What do you see? Have you made sound decisions about your finances? Would you feel that your emotions sometimes got in the way? Are you happier with where you are?

Having Justin Krane and Krane Financial Solutions as your partner may make you pleased with your answers.

Krane Financial Solutions mission is to design a customized financial life plan that merges your financial and life goals. Using a unique system developed from his studies of financial psychology, Justin Krane partners with you to identify and clarify your goals, and advises you on what you need to do to reach them.

Using his skills as a Certified Financial Planner™ and a Certified Investment Management Analyst,™ Justin builds a financial life plan specifically designed for you – one that puts your interests first. Krane Financial Solutions investment philosophy has been consistent over time. However, the portfolio design and implementation is customized for your financial plan.

Financial planning is not a one time event. It's an ongoing process. Having a relationship with Krane Financial Solutions can put you back in control of your finances. You will feel more organized, educated, and purposeful in making your financial decisions.

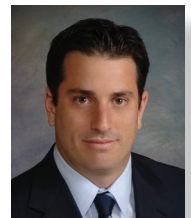

Justin's system has proven very successful for all sorts of people including –

- **Small business owners –** they find that Justin's advice and direction frees them to spend more time managing and growing their business...and living their lives on their terms.
- **Entertainment professionals –** Justin's experience working with the industry allows him to understand and meet the special lifestyle and financial needs of screenwriters, talent agents, producers, directors, and studio executives.
- **Retirees –** Justin understands their special concerns about cash flow, inflation, and estate planning.
